prophets and prophecy in the ancient near east writings from the ancient world

What Does It Mean to Be a Prophet?

Most prophets were not in existence for long. It is easy to think of prophets as individuals engaged on an extended trip, rail, platform, etc., proclaiming a long-gone message to the crowd. Many prophets, however, had an intended audience of one, two, or even one. It depended on where the inspiration and innovation was actually felt.

The Life of Shucks - Bible Study

This scheme includes only the major prophetic figures of the Old Testament period. The period following 750 BC, beginning with Hosea and Amos, is often referred to as the classical period of prophecy and these prophets are writing in prophetic books, which remain incomplete.
